MEMORANDUM FOR: ✓ Mr. Kent  

1. The following is a quotation from the Record of Meeting of the Steering Committee on NSC 128 on 1 July 1952:

"2. NATIONAL INTELLIGENCE ESTIMATES

Agreed on the desirability of CIA's including in its estimates some indication of the basis and reliability of estimates as to existing facts; and suggested that this be done, on an experimental basis, in connection with a forthcoming estimate of Soviet air strength to be included in NIE 64."

2. Mr. Becker called about this some days ago. I am therefore reminding you that it is of interest to him.
